RE: Site Inspection, Roger A. New, New Enterprise Company, S/053/013, Washington County, Utah

Date of Inspection: April 16, 1999  
Time of Inspection: 0830  
Conditions: Warm and Windy  
Participants: Lynn Kunzler and Doug Jensen DOGM

Purpose of Inspection: Operator request to inspect and release site

This site is accessed by existing roads. The site labeled "area to be mined" on the original application is presently fenced and the area of disturbance is approximately .5 acres. The disturbed area is on top of a hill which has been leveled and a house has been built on this level spot. The area labeled as a prospect to the south is accessed by an existing road and no disturbances were found in this area.

BLM had no problems with closing this application and we found no reason to keep this file open. Recommend closing the file. Photos were taken to document the visit. GPS was used to establish UTM coordinates.
